

ALABAMA REPORTER.

TALLADEGA, ALA.

THURSDAY, July 18, 1865.

ASHVILLE, St. Clair County, Alabama,
July 4th 1865.

A meeting of a large portion of the loyal of the loyal citizens of St. Clair County, Ala., convened at the Court House in Ashville on this day—

On motion of Col. B. F. Pope the meeting was organized by calling Hon. O. G. Beason and Hon. Geo. W. Ash to the chair.

On motion of Rev. T. Lambert Messrs. R. F. Hammond and John A. Zeller were appointed Secretaries.

The object of the meeting was explained by Col. B. T. Pope and Rev. T. Lambert, and on motion of Col. Pope a committee of seven was appointed by the chair to propose and submit resolutions to the meeting for their action, which consisted of Messrs. B. T. Pope, T. Lambert, E. Goode, Jas. Simpson, A. Byers, R. Bearden and J. D. Hammond. Mr. Byers asked to be excused from serving on the committee, and was so excused, and Mr. John A. Zeller appointed in his stead.

The committee retired and while out the meeting was addressed by Col. John W. Jones.

After a short time the committee returned and reported through their chairman the following Resolutions, which were severally read and explained by the chairman of the committee, and on his motion adopted unanimously:

Resolved, That whatever may have been the motives of those who attempted to sever the Southern States from the United States, and form a separate Confederacy, the effort has been productive of evil, and only evil, and that of the most terrible character.

Resolved, That we are more than ever convinced of the great truth that "eternal vigilance is the price of liberty."

Resolved, That we are sincerely attached to the Union of these States as our fathers formed it, and to the principles of the Constitution of the United States as handed down to us from the Heroes and Patriots of 1776—and on this glorious anniversary of the Independence of the United States we again renew our pledges of devotion to those great principles and that Union; and again solemnly pledge to each other and to the Government of the United States our constant and best efforts ever to maintain those principles and that Union inviolate.

Resolved, That we sincerely desire that, at the earliest practicable moment, the great State of Alabama shall be recognized as one of the United States, and civil law re-established.

States; and will ever do all in our power to defend and maintain both.

Resolved, That we deprecate the assassination of President Lincoln and the attempt to assassinate Secretary Seward, and cannot find language strong enough to express our abhorrence of all assassinations and murders and acts of illegal violence with which our beloved country has been so terribly afflicted for so long a time past; but we trust that only the civil law will be resorted to, to redress any real or supposed grievances of this or any other kind, which any of our citizens may have suffered. And that even in these cases it will be found that, from magnanimity can often overlook offences when the guilty parties have been fully subdued.

On motion of Col. John W. Jones, it was requested that the proceedings of this meeting including the Resolutions be signed by the Chairman and Secretaries and published in the Alabama Reporter, and such other papers as approve.

On motion the meeting adjourned sine die.

R. F. HAMMOND, O. G. BEASON,
JOHN A. ZELLER, GEO. W. ASH,
Secretaries. Chairmen.

BE IT ORDAINED, by the Mayor and Aldermen of the town of Talladega, that the following tax law be, and the same is hereby adopted for the town of Talladega until changed or repealed.

Sec. 6 On all retailers of Mal liquors, Ten Dollars.

Sec. 7 On each pack of cards, sold or disposed of, 50 Cents.

Sec. 8 On each Circus or Menagerie, or either of them, Twenty-five Dollars per day.

Sec. 9 On all Theatrical performances and other shows and amusements, for pay, not including Conventions, Scientific Lectures, for one Dollar.

Sec. 10 On all Theatrical performances and other shows and amusements, for pay, not including Conventions, Scientific Lectures, for one Dollar.

THE POSTOFFICES AND THE MAIL ROUTES.—Not a day passes but we are asked the interesting question, "When will the postoffices and mail routes be re-established?" Would that we could answer it definitely; but as the first step has been taken for the restoration of civil government in our State, we have strong hopes that in a very short time, we will be in mail communication with the outside world. Doubtless this important matter will receive the early and earnest attention of Gov. Parsons. To be deprived of the mails is, of course, a source of the greatest annoyance, and we of the newspapers are more directly inconvenienced by this deprivation than any other class. It is only by dint of the most persevering energy, that we are able to get our hands on an exchange. We sincerely trust, however, that before a great while, we will have the gratification of announcing the resumption of the mail routes in Alabama, and the adjoining States. In the meantime, we assure our readers, that we will continue to use every effort to supply them with all the latest news.—Mail.

The Herald's Richmond correspondent says: "Ould, late rebel Commissioner, and Major Garrington have been released from the Libby Prison."
